KiDS NEED MORE Motivational Recovery Environments, Inc. camp Adventure

Camp Adventure is a camp held right here on Long Island for kids who have cancer. They are at different stages of cancer treatment but all are fighting this horrible disease. This camp gives them a chance to get away for a week and forget they have cancer and just have a fun and be kids again. The camp is staffed completely with volunteers which includes doctors, nurses, camp counselors etc. The camp is free for the kids and even the siblings of the campers are invited to attend. The camp is funded solely on donations so your support is so very important.
