Life is Messy

Our volunteers have struggled with life’s challenges. We are familiar with cancer, illness, grief and other grown-up stuff. When you allow us the opportunity to help, you inspire us to Do MoRE Be MoRE GIVE MoRE

Kids NEED MoRE is a 501c3 nonprofit organization dedicated to enhancing the lives of young adults, children, and families coping with serious illness, cancer, military life, grief, and the trauma associated to all this grown-up stuff.

“I’d give up each and every star, if we can just stay where we are. I wait for one week every year and finally that week is here.”

Saddle Rock Day Camp takes place at the Ranch in Middle Island, thanks to a collaboration with Family Residences and Essential Enterprises (FREE). Saddle Rock is for children either have a serious illness or for those who are coping with a caregiver, sibling with serious illness, loss, or military service.

**MORE FRESH AIR**
was started by our **MORE UNIVERSITY** graduates. To explore the great outdoors. Road trips, camping out with our RV fishing, kayaking and other fun day events all planned and executed by young adults with other young adults. Great leadership experience.

**MORE HEARTS for Joseph aka 2 MORE for JOE**
Started by a mother who lost her son, 2 More for Joe helps create a healing community of support for families who are grieving the loss of a child. It’s an opportunity to meet other families who just “get it”.
